Dear Mr. Cheese

5/11/16

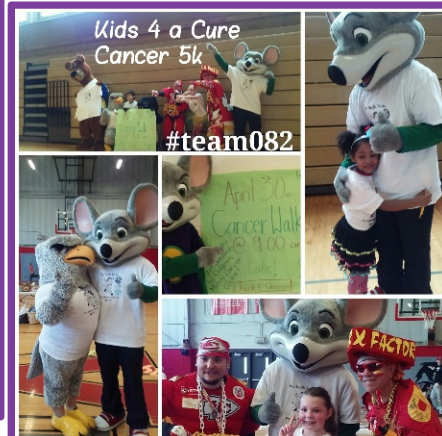

I have enjoyed playing here ever since I was 4 years old and continue to spend time here with my younger sister today! I would like to sincerely thank you for letting me and my date take a prom picture with you. Not only do we love it, but my Latin teacher likes it too. In fact, he let me hang it on his bulletin board!

Thanks again for many years of cherished memories and for a memorable prom picture!

DEAR CHUCK E...

I can't thank you all enough for the hospitality you showed us and our guests. We had people coming in from Orange County, CA. They all complimented the restaurant and they were very impressed with how the hostess continually checked on us to make sure we had all we needed. What they did not know was that my family and I are on a tight budget. We saved what little money we could from our tax return to have this party for our son. Our friends were gracious enough to show up for a "last minute" party. Your staff at Chuck E. Cheese made the party seem like it had been all set for weeks. It ran smoothly and everyone told me they had fun. The kitchen was wonderful too, sending out tasty pizzas. If this sounds like a glowing review, I am glad. It was tough going through uncertainty, not knowing if we'd be able to throw our child a party. Your staff not only put us at ease, but they made it great. This is not the first time either. The staff at the Chuck E. Cheese on Hospitality Lane also did amazing work years ago. They inspired us to return and even inspired fellow friends to host events at your restaurant.

I scheduled my son's 6th birthday party at this facility today. We only invited a few kids from his class, but I was so sad when none of them showed up. Our party hostess, Paige, did an amazing job of helping us figure out the best way to update our party package so that we could stay and have a good time but didn't have to drop a load of cash for the kids that didn't show. She made sure that my little boy still felt special and still had a good time (he was too shy to go up for the birthday show, but he was absolutely thrilled that he still got to go in the ticket blaster!). Please, tell her thank you again from Walt and I. You have a wonderful person working with your team and she deserves a pat on the back.

I had a party for my granddaughter, Kylyn, 3 years old, on 4/24/16. I just wanted to inform you all of the excellent service that we received. I was so very impressed. My host was absolutely wonderful. I didn't have to lift a finger to do anything. To be honest, everyone in the establishment was very kind and professional. There was a party going on at the same time as mine and both hosts did a great job of engaging both parties. I will definitely be back. THANK YOU!
